Five New Faculty Join College Staff

Five new faculty members have been appointed to the Lasell teaching staff for the coming year, according to an announce-ment just released by the Call just released by the College Administration. The newcomers met their colleagues for the first time last evening at the annual opening faculty meeting conductby President Wass.

Mr. Stewart M. Brooks joins the Lasell faculty as an instructor in the Science Department. Formerly of Plainfield, N. J., Mr. Brooks holds the B.S. degree from the Albany College of Phar-macy and the M.S. from the

Reading Lab

The facilities of the College Reading and Study Laboratory are, as always, available to individual Freshmen with immediate academic problems from the opening of onward. Early in October an opportunity will be given for all students to enroll in the Laboratory for any of several systematic courses designed to correct academic deficiencies might interfere with college-level work.

Under the direction of Mrs. Hazel Weden of the English Department, the Laboratory specializes in the correction of the various problems connected with reading comprehension, reading rate, spelling, note-taking, research, paper organization, and study habits.

All interested students advised to watch the "Daily Bulletin" for announcement of Mrs. Weden's office hours.

Today marks the beginning of home in this new place?" "Will asell's 107th consecutive year, I have dates?" "Will I be able Lasell's and the College is happy to wel- to make good grades?" come to its campus again, as it has for most of the past decade, answers before long, just as other a capacity student body.

Although tions are that in spite of the terrific pressure for admission currently being put on Lasell as on all other American colleges, the total student body will have been successfully held within the limit of 600 set come voors are limit of 600 set some years ago by the President and the Administration as being the maximum consistent with the ideal of retaining the numerous advantages of keeping Lasell a "small col-

these being resident students and

chusetts. Next most numerous contingents come from Connecti-cut, New York, and New Jersey, in that order. Tentative figures indicate that today's registration will put about one-quarter of this student body into the Secretarial curriculum with the Medical Secretarial, Retailing, Child Study and General curricula following close behind in popularity.

Dean Van Etten has very kindly supplemented these statistics with a number of official announcements and suggestions concerning the activities of the coming week which will be of immediate interest to both seniors and freshmen.

Tips for Freshmen

In our first days at College, it wold be most unusual if at one time or another you did not have moments of bewilderment, per-plexity, or doubt. Expect them, and don't be surprised. Entering Freshmen at all colleges are inevitably experiencing similar situations and asking themselves such questions as "Will others like me?" "Will I really feel at

Bc assured that you will find students have in previous years. final enrollment Meanwhile, be patient, meet each figures will not be available until appointment on time, keep busy after the completion of registra-tion on Saturday, present indica-quainted, and when classes start,

Program Changes

Carefully consider your curriculum as a whole and each sub-ject of which it is comprised. Your courses have been outlined according to your abilities and declarations of interest. If you According to the best estimates of the Recorder's Office, this figure breaks down into 275 Scniors and 325 Freshmen, 460 of the Recorder's Office, this Liberal Arts college or professional school after your two years at Lasell make certain that you are taking Liberal Arts courses The returning student body comes from some 20 states and nine foreign countries, with the largest single group from Massachusetts. Next most numerous or other requirements recommended by the college of your choice. Your Academic Advisor has on file many catalogs and can give you information.

You also should make particularly if you are a Senior, that you have taken or are taking all of the requirements for the Associate degree in your curri-

Nurses Graduate

The first class in the Lasell Nursing Program will be grad-uated on Sunday, September 29, at 4 p.m. in Winslow Hall. The program was originated in the Fall of 1954 as one of the pioneer three-year junior college nursing courses in the United States, and this particular ceremony will mark an important milestone in Lasell history and in the histicular ceremony tory of nursing education generally. Patricia Gura and Priscilla Broad are the two Lasell nurses to be honored on the occasion. Students faculty are cordially invited to be present.

A Word From The President

Greetings to the returning Seniors and a warm welcome to the new Freshmen. It is a matter of both pride and pleasure for me to be able to greet all of you at the opening of Lasell's one hundred and seventh year.

To the Freshmen I would like to emphasize the importance of these first few weeks of College. Your whole College career may depend upon the way you adjust to this entirely new educational experience. You will find

freedom than you ever had before. You are no longer high school girls, but college women. Lasell likes to treat its students as adults, and in return Lasell expects its students to manage their affairs in an adult manner. Learn how to use this new freedom and do not be dazzled by it. You who have been used to regimented study halls will discover very quickly that it is your personal responsibility to prepare each day's assignment. There will be no one standing over you to see that your work is done. That is now your job.

If I could offer you two thoughts to remember, they would be these: (1) Do not hurry your opinions, and (2) Learn the use of freedom. Remember that Lasell is a friendly place and that everyone here stands ready to help you. You now have a new responsibility to your parents, to your classmates, and to Lasell.

It is always a pleasure to greet the returning Seniors. The many acquaintances you have made as Freshmen develop into real friendships during the senior year, and friendships formed in college are among the priceless things that a student takes away with her. College is indeed a source of love and loyalty, one of the finest loyalties of which a person is capable. Make your last year at Lasell a very worthwhile year, a year of learning and growth as well as one of satisfying and enduring personal relationships.

Never forget that Lasell is what you make it. See to it that the high reputation of Lasell never falters. May you always cherish a real affection for Lasell and may she prosper through the years so that you will be eager and proud to have your daughters and granddaughters here as students.

RAYMOND C. WASS, President

SAVE A DOLLAR!

Orders for THE LAMP, Lasell's official yearbook for both Freshmen and Seniors, will be taken TODAY and SATURDAY ONLY at the price of \$6.00.

After September 21 it will be necessary to increase this price to \$7.00 to meet the rising costs of production.

Art Instructor Reports On European Tour She Won As Local "Community Ambassador"

Picked from a large field of competitors by a panel of prominent Watertown citizens, the popular Lasell instructor's entire tour of 10 weeks — including one month with a private family in Austria — was financed by public subscription.

General sponsor of the project is Experiment in International Living, Inc., a Vermont organization which enjoys the patronage of the President of the United States, and which has already aided some 20,000 young American adults to gain a more intimate understanding of life in Europe, —Editor.)

By Leonie Sulahian

This year the Experiment is celebrating its 25th anniversary and the Community Ambassadors project its 10th year. Sixty-six community Ambassadors are included from 55 communities — Glen States, and three of the four original communities — Glen Falls, Jamestown, and Schenectady, N.Y. — are sending their 10th representative.

On June 26 the Experiment broceeded full-speed ahead from Hoboken, N.J. Since our ship was delayed at the embarkation, one can easily imagine what a chaotic but amusing conglomeration of activities took place among the 880 passengers and chaotic but amusing conglomeration of activities took place among the 880 passengers and relatives for the final "bon their barracks. Yes, it certainly was a wonderful test of adapt-voyage!"

The ship started out of the suitcases, knapsacks, and seleping bags to find their state-rooms. No such thing existed for these poor eager-eyed optimists.

The statersoms turned out to be states in 16 states, and three of the four original communities — Glen four original communities in 16 states, and three of the four original communities in 16 states, and three of the four original communities in 16 states, and three of the four original communities in 16 states, and three of the four original communities in 16 states, and three of the four original communities in 16 states, and three

forehanded student will save her cuts for emergencies only, and will keep a record of the date and reason for any necessary cuts in her "Blue Book" in the space provided on page 65.

Academic Advisors

Assignment of all students to their Academic Advisors is made alphabetically according to the following system: Miss Atwater, Freshmen whose names begin with A through C and Seniors, A through G; Miss Babcock, Freshmen, D through M and Seniors, H through M; Dean Van Etten, Freshmen, N through Z and Seniors, N through Z.

Freshman Orientation

During the opening days of College the meetings, entertainments, and other activities are vital parts of the Orientation Program. After classes start

Garden Club Presents Library Flower Show

The Auburndale Garden Club hold a flower show in the Lasell Library on Wednesday, October 9, from 1:30 to 4:30 p.m. Organized around the theme of Autumn colors and foliage, the show will feature Fall flowers, fruits, and vegetables. Exhibits will include both full-sized miniature arrangements, and exhibitors will be selected by competition within the Club as well

as by invitation.

The flower show is made possible through the cooperation of Mrs. Charles A. Higgins, Jr. '37, chairman of the Auburndale Garden Club; Mrs. Richard Kenney H.S. '31; Miss Harriet Atwood, College Librarian; and Mrs. Charles Weden, of the Lasell English Department.

There is no charge for admission, and all Lasell students, faculty, and staff are cordially invited to attend.

College Enlarges Publicity Set-Up

Pres. & Mrs. Wass Have Busy Season On College Trips

By Marion Heinsohn

Students at Lasell are not always aware just how busy President and Mrs. Wass are. Their many trips in connection with Lasell are extremely interesting.

This summer Mr. and Mrs. Wass went to Washington for a Board of Directors meeting for American Association of Junior Colleges.

On October 3 and 4 President and Mrs. Wass took a trip to Maine. Thursday they stayed in Poland Springs, Maine, where President Wass represented the Newton Rotary Club of which he is president.

On Friday they visited the Eastern Maine Lasell Club at Bangor. This is only one of the 23 Lasell Alumnae Clubs scattered throughout the United States. "These clubs promote an interest in Lasell in their respective localities. They also help us financially by contributing to the Building Fund and granting alumnae scholarships." Each year the Wasses try to visit at least half

of the 23 clubs.

In the summer of 1956, they visited clubs in New Jersey, Pennsylvania, Washington, D. C., and Florida. President Wass smiled and said, "The Alumnae Club in Miami is quite nice even though it is small." This is certainly a wonderful way of combining business with pleasure.

Mrs. Wass usually accompanies the President on all his "Mrs. Wass finds out about the social life of the girls," the president said

On October 9, the Wasses left via plane for Washington, D. C., where the American Association for Junior Colleges had a convention in the Mayflower Hotel which lasted until October 12.

Chapel Service

The first chapel service of the year will be held Monday, October 25, at 11:30 a.m. in Winslow

Sandy Fookes, who is in charge of the chapel service programs, has stated that the College Choir in this first class, were Ann is planning to sing. Mr. Taylor, who is well known as the accompanist for Orphean, will play the ton, Conn.

The graduates, two in number delivered the charge and presented the certificates to the graduates, Miss Dorothy Vernstrom, director of the Peter Bent Brigham school of nursing, Miss Conpanist for Orphean, will play the ton, Conn.

"Fantasy of Fall"

The first formal of the season will be the Senior Prom, which is to be held in Winslow Hall on November 2. This year's theme appropriately named ford, Massachusetts.

Also scheduled for vigorous discussion were: the role of the apprentice program in industry, the trend toward the two-year college program as offered by the junior colleges, the importance of the College Entrance Examination is appropriately named "Fair Fantasy." As senior class president, Pat Woolley, is chairman of the dance and is assisted by the following girls who will be in charge of the respective committees: Sandy Fookes, refreshthe College Entrance Examinaments; Judy Smarak, publicity; tion Board in the transition from Sally Frisbie, tickets; and Starr school to college, the financing of Tupper, decorations. Both Seniors a college education, and teacher and Freshmen are welcome at one of the finest affairs of the year.

Your College And Your Reputation

Now is the time of year when we are all meeting different people and making new friends. While becoming acquainted it is inevitable that we will be asked about our College. Each one of us wants to be proud to say that she is from Lasell. In order to have pride in our body. College we must each strive to uphold the high standards the College we must each strive to uphold the high standards the first meeting. Watch the and good reputation that have been achieved by students bulletin board for further notice. before us. We must be constantly aware of the fact that wherever we are and whatever we do, the reputation of he held once a month. The club Lasell is reflected in our every action. Lasell is open to all Spanish students. This year they are planning to we make it, so let's each do our part to add to the fine reputation that has been acquired throughout the past

"The Lasell News" And You

As the present staff of the "News" sends this, its into Boston to see French movies first issue, to the awaiting press, it is with the sincere hope that this paper and the ones to follow may find gram and play. The French Club a meaningful place in your college life.

What should a newspaper mean to you? In order to answer such a question it is necessary first of all to consider the type and purpose of the newspaper itself. Executive Council There is not much doubt in most people's minds about Meets And Plans the purpose of the local, national, and international papers in which one is able to find almost any type of article one desires. But a college paper is unique in the Lasell, the Executive fact that it is usually intended to represent a body of held its first meeting of the sea people grouped together from unlimited types of back-grounds with varying interests and heliefs and a grounds with varying interests and heliefs and a grounds. grounds, with varying interests and beliefs, and a group which will remain together in close association for a which took place at Winslow Hall limited number of years. Thus it seems that one of the on prime purposes of a college newspaper should be to act agreed that it was a success. as a means of expression for those students during a day, October 7, for the purpose of acquainting the student body be held on October 25. Carol Chemistry Exhibit formative state and during which their interests should with the functions of the College be alive for other people and activities about them.

Lasell has the advantage of being a "small college" and offers a situation to which a paper of this kind could adapt itself. During the 25 previous years in which the "Lasell News" has existed many changes have undoubtedly come about both in the college and in the newspaper itself. However, through the years the paper has consistent wice-president; Linda Ferrucci, secretary; and, Jean Wynott, treasurer; explained their duties.

Attention All Creative Writers!

The "Lasell News" once again announces a contest for all freshmen or seniors interested in creative writing. SUBJECT: an article, feature story, or interview (not news) concerned with student life in general or life on the Lasell campus in particular, suitable for publication in a college newspaper. LENGTH: not more than three typewritten, doublespaced pages. DATE: all entries must be in the hands of either Pat Watson or Ginny Ambrose not later than October 23. PRIZES: (a) the best entries submitted will be published in subsequent issues of the "News" and (b) the authors will be eligible for permanent positions as feature writers on the "News" staff. JUDGES: all entries will be judged by the editorial staff and members of the English department. The judges reserve the right to make no awards in the event that no suitable manuscripts are submitted.

Retailers Guests Of Herald Local Garden Club For Fashion Show At Plaza

By Jo Chadbourne

Some 82 enthusiastic Retailers and fashion-minded Lasell girls joined the 464 people at the Sheraton Plaza Hotel for the first "Boston Herald showing of the Fashion Show which was held on October 1. The elegantly decorated main ballroom was an ideal setting for such an event. The muted gold and gray stage back-drops complemented the sparkling costume colors. Ken Wilson and his orchestra were joined by an on-stage rhythm combo for some of the numbers.

Phyllis Hanes, Fashion Editor for the "Boston Herald," was the commentator for the evening, and James Gosling showed his by directing one of the most in-teresting fashion shows presented to the public. The show included two acts, each consisting of four scenes which were introduced by Betty Furness, the guest star and a person familiar to all of us. She did an excellent job and added the finishing touches to the already extravagant fashion parade.

Some of America's top models displayed outfits ranging from the practical to the frankly "plush." Each Lasell girl watched in wideeyed wonder as the latest and most fashionable clothes of the year were revealed before her.

The first act consisted of sportswear by such top designers as Casino, Darlene, Ship 'N Shore, John Weitz, and Century. The outfits shown would be right at home on our Lasell campus and would be ideal for the typical college coed. Any girl going on our ski trip this winter would have enjoyed the skiing outfits sheath with rows of fringe from thorne. days, a glance at Workshop Members of Lasell art classes Players' rehearsal call sheet may have submitted ideas for program

might not have enough specialties; be made quickly.

"Cadenza at 8:00" is scheduled might not have enough specialties; now our problem is one of selection," said Miss Wethern, the Director, when quizzed on the progress of the show. "Why did we choose a revue? That's easy. We felt that there is attractive talent on campus which has not had a chance for recognition, and we felt that this is the year for a show of this type. Our revue in the 1953-51 season was highly successful."

be made quickly.

"Cadenza at 8:00" is scheduled for Winslow Hall on Thursday and Friday, November 21 and 22, at 8 p.m. Admission will be by Workshop Players' season membership ticket, or by single admission ticket at one dollar. The subscriber to all student productions during the 1957-58 season, will be on sale at the door before each performance. successful."

"It is not possible to build an entertainment of this kind without exceptional cooperation from the students," Miss Wethern continued. "Many of the girls are accepting the full responsibility of rehearsel for many of the m of rehearsal for many of the acts, new students began on October

have? All that one can use for an evening to remember — "Fall Fantasy," our senior prom. But not just for seniors. For they "request the honor of your presence" November 2, 1957 at Winslow Hall! Why you'll never recognize it. Starr Tupper, chairman of decorations, together with her most able committee are decorating our lil' ol' gym and auditorium with a colorful display in a fashion of true fantasy. Now don't say "a gym is a gym no matter what you stick on the walls;" with these gals — you probably won't even be able to sec the walls!

Oh yes — been wondering who the "Sammy" is at the bottom of all the posters advertising this gal event? Publicity chairman Judith Smarak — Take note, pretty clever aren't they?

Pamper your sweet tooth, quench your thirst, and — forget about your waistline for an evening. Sandy Fookes and her form sally Frisbie, a little girl with Sally Frisbie, a little girl with see that you're well taken care of Sally Frisbie, a little girl with see can be seen that you're well taken care of Sally Frisbie, a little girl with seen as a seen and continued of presence." Don't Sit There: DO Something!

Girls, what are you doing after classes in the afternoon? Do you sit around in the smoker ruining your diets by eating candy bars and drinking soda? Or do you drop down on your bed munching cookies while you think of the homework you should be doing, but you don't feel in the mood for? Think — how much time do you waste? Don't you realize that your two years at Lasell are something you shouldn't waste by sitting around?

Sandra Wilson to Bob Wilson, a senior at Babson. A spring wedding is planned. Vivian Spooner to Jerry Wass. Ann Laramy to Frank Mascuch. Barbara Stannard to Skip Mosher. Ellen Mahoney to Tom Simmonds. Dorothy Higginson to W. Charles Mayville, a junior at U. R. I. Marion Heinsohn to Matthew Botsford, graduate of Harvard through a casual talk.

Sandra Wilson to Bob Wilson, a senior at Babson. A spring wedding is planned. Vivian Spooner to Jerry Wass. Ann Laramy to Frank Mascuch. Barbara Stannard to Skip Mosher. Ellen Mahoney to Tom Simmonds. Dorothy Higginson to W. Charles Mayville, a junior at U. R. I. Marion Heinsohn to Matthew Botsford, graduate of Harvard through a casual talk. Girls, what are you doing after classes in the after-

Lasell are something you shouldn't waste by sitting around?

Lasell has many activities and clubs which give a girl a chance for a little change from the monotony of going to classes and coming back to her room to study.

Marion Heinsohn to Matthew Botsford, graduate of Harvard. Sue Allen to C. Edward Good, sophomore at Brandeis. Carole Bartholomew to Walter Dusseau, a junior at St. Lawrence.

Marion Heinsohn to Matthew in the way of teaching or simply through a casual talk.

During the two years immediately previous to her arrival at Lasell, Miss Tinker was at the Bartholomew to Walter Dusseau, a junior at St. Lawrence.

Nevis Biological Station which is and the viola are the instruments and the viola are the instruments and the viola are the instruments. There is nothing worse for a person's morale than to keep

Why not take advantage of some of the extra-currist Charlie Brox, Jr., class of '57 at Norwich. Cynthia Boynton to Ted Davis, a student at Amherst worked with Professor Dunn, one a smile and a half serious answer, a smile and a half serious answer, available. For instance, during the fall, the girl who is interested in sports can take part in a hockey or soccer Ferrie, Providence College. Sandra and Serious answer, of the world's greatest authorities in genetic research. One phase of game. A tennis tournament is even being offered by the sophomore at Bowdoin. Marian sophomore at Bowdoin. Physical Education department for those girls who really enjoy playing the game and also for those who would like to learn more about it. There are other activities such as Workshop Players, Dance Club, Speakers Bureau, gaged:

as Workshop Players, Dance Club, Speakers Bureau, Spanish Club, French Club and the LCCA. With such a variety, you should be able to find one to coincide with your interests.

Why let your two years at Lasell go without joining in any of the fun? Freshmen, don't wait for your senior year to join a club or to go out for sports. Now is the time! You'll find that when your freshman year is over, you will be sorry that you didn't take advantage of these fine opportunities. You will have missed a year of fun and life and besides, you will see that your on class have already formed groups into which it will be hard.

Welsels Hills. A summer wedding is planned. Gwen Buell to Jack Bevier, a Babson senior whose home is in Florida. They plans to be married in July. Suzanne Babcock to Clem Edington, U. of Wyoming. Fall wedding is in the future. Liz Burns to John Alden, a Bowdoin graduate.

The wedding is to take place November 9, 1957.

Says that 17 members of the can well be imagined that Miss team will go to Wellesley on to enter.

Two years isn't a very long time. For most of us, these are our last two years of schooling. After we graduate from Lasell, we will either be looking for jobs or settling down to raise a family. There will be plenty of time when we're baby-sitting for our grandchildren that we'll be able to relax and leisurely read a magazine.

So, girls, don't waste these two years sitting around. Join a club; play sports after class; get out and make You'll find that you have an altogether new friends. different attitude about your studies and college life in general. You won't regret the little extra time you put into it.

Lasell's Retailers Begin Off-Campus Training Nov. 29

By Sue Allen

Stuffed with turkey, Lasell's 70 Retailers will punch the time clocks on November 29 in many of the leading department stores throughout the nation. This day will be the first of their field-work period which will continue through December 24.

Each year from Thanksgiving to Christmas, while the rest of the College is busy in classes, the retailing students do field work to get practical experience in selling.

Twenty-five of the girls will remain on campus and work in Filene's, Jordan Marsh, and R. H. Stearns in Boston. Six of the girls will live at the Webster Apartments in New York City and work in such leading as Lord and Taylor, Abraham Strauss, B. Altman Company, Saks Fifth Avenue, and Arnold Constable. The rest of the stu-Constable. The rest of the stu-dents wil live at their homes and work in stores which have been assigned to them in those areas. Some of the stores will be Wanamaker's in Philadelphia, Lord and Taylor in Garden City, Peck & Peck in Poughkeepsie, G. Fox Peck in Poughkeepsie, G. Fox Company in Hartford, and Sheppard's in Providence.

This field work will leave the girls girls "a penny richer and a pound wiser" and eager to go out

By Judy Watson

Class games are now being played in Hockey. The winners must take three games out of five. The freshmen were two jumps ahead of the seniors, having won both other games. However, on November 4 the seniors won their first game. This contest should prove to be an interesting rivalry.

Cap And Gown

Awakened by the clicking sound of heels and the soft humming of voices, the freshmen witnessed one of Lasell's finest traditions on October 27. This was the Cap and Gown ceremony. Dressed in Caps and Gowns and carrying candles, the seniors marched first to President Wass's house, then to Bragdon, and from there to Woodland as they sang their Cap and Gown Song.

Lasell girls will always remember that night. They will recall that, as freshmen, they gazed from their New Jersey will recall that, as Ireshmen, they gazed from their New Jersey — "I am very great-windows and were deeply moved by the sight before them. ful for being in a school where Then they will remember that, as seniors, they took part in the actual ceremony.

This traditional activity was carried on the next day given me a chance to meet many en the seniors were their caps and gowns all day during new people." Carol Cunningham, Stamford, Connecticut — "I have when the seniors wore their caps and gowns all day during their classes.

Lasell can be proud to have such a fine, impressive tradition as Cap and Gown. - G. A.

Saturday Night At The Barn

It has come to our attention that many of the Lasell students are not yet aware of the fact that the Barn will be open all day every Saturday. The senior houses on campus will be assigned alphabetically to carry out the various duties each week. All profits will be credited to the Building Fund quota of the particular house in

This might well be called a pioneer effort toward the future establishment of a student union. If the response of the student body is good enough, perhaps the administration can be prevailed upon to supply the Barn with a television set.

Now, at last, the girls have a central gathering place to entertain friends and dates on weekends. This is only the beginning of what may become a very pleasant Lasell

CLUBS

By Jo Chadbourne

Orphean Club furnishes with three outstanding events during the year. The first will take place on March 7. This is the M. I. T. - Lasell joint concert which starts off the Father-Daughter weekend. Senior Class President Pat Woolley Has Eye On Career In Home Economics

By Lenni Schwartz

Pat Woolley, who has been president of the class of '58 for two years lives in Briggs House. Prior to coming to Lasell, Pat attended MacDuffie School for Girls in Springfield.

Pat's winning smile and everpresent willingness to offer a helping hand have won her much fame on the Lasell campus. Treasurer of the Spanish Club, a member of Orphean, Workshop Players, and Executive Council, Pat somehow manages to find plenty of "free time" to be a plenty of "free time" Dean's List student.

Pat will be working in Springfield next year. A Home Economics major, she plans to secure position in that field. Pat has no other definite plans, it is sure that with her captivating personality and fine sense of responsibility she will be well rewarded.

At Briggs one is very apt to nd Pat busy knitting away on

Pat Woolley

piano and singing.

Her expression, "Oh really?" is well known to Pat's many friends.

a pair of socks — of course with a definite recipient in mind.

"Buster" — Charles Haney — is the one, without a doubt. Buster is in the Army now and is stationed at Fort Knox.

The Meaning Of Christmas

Christmas season is always one of the gayest times of the year. The stores and cities have been bedecked with bright, shiny lights and decorations for over a month. Nearly everyone is excitedly doing Christmas years or don't get a degree. shopping and trying to choose "the gift" for that special person. Also, there are many thoughts and daydreams about what you, yourself, will be receiving.

During all the hubbub and excitement, I think that a good deal of the true meaning of Christmas is lost. If you happen to mention to a friend that there sisters have the same opportunity are only 14 more days until Christmas, she will probably as I did of furthering their educaare only 14 more days until Christmas, she will probably say, "Oh my goodness, I haven't even started my shopping!"

Yes, the giving and receiving of gifts does constitute a good deal of the spirit of Christmas; however, we should all stop to remember that this isn't the most important element.

We have all heard, read and visualized the story of the birth of the Christ Child. It may be much more important to some of us than it is to others. Will you be one who ignores what Christmas really means?

Another Festival

(In the interests of inter-faith understanding, the "News" staff is happy to be able to publish the following account of another religious festival being celebrated at this season. Special thanks go to Brenda Weinstein for contributing the following interesting account. — Editor)

On the eve of December 17, Jewish families all over the world will be celebrating the Feast of Lights, otherwise called the Festival of Hanukkah. This is a festival commemorating the rededication of the Temple of Jerusalem after its defilement through pagan worship by the Syrians under King Antiochus. Following the victory of the Jews against the Syrian legions, the Jewish military leader, Judas Maccabaeus, purged the Temple and rededicated it to the worship of Jehovah. When they came to recognize the victory, the people found that they only had sufficient oil to keep the light shining for one day, but a miracle occurred and the light lasted for eight days, which is why a candle is lit on the first night of the festival and an additional one on the succeeding nights.

The Maccabean victory has come to symbolize for the Jews their steadfastness of faith against the oppressor.

B.W. Share and J. Share a --B.W.

By Gail Seibert

The second question in our series is one which we may find ourselves asking over and over again. "Why did I choose a twoyear college?" Both freshmen and seniors were interviewed and many different answers were

Jersev I have already had one of a four-year college; but if I had come to a two-year college straight from high school, my reason would have been this: A two-year college would give me the opportunity to go out and work, or go on to a four-year school, but once you start a fouryear college, you either finish four

Toni Darrell, Warwick East, Bermuda — I felt a two-year college would provide an adequate background for my chosen field. Also, it would give me a chance to go home sooner and help my tion in the United States.

Sue Funston, Ballston Spa. York I wasn't sure whether I would enjoy a fouryear course in Child Education, therefore I thought I would try a two-year college first in that curriculum. Also, the facultystudent relationship of a two-year college is closer than that of a four-year college.

Sharon Deimel, Ridgewood, New Jersey — Primarily because I wanted more from a secretarial course than a business school could give — the college atmoscould give — the college atmosphere and finishing of a small college where I wouldn't be "lost.

Jenkins, Pennsylvania — I think two years will give me the sufficient background for the field I am going to enter. The high school I attended was very large so I wanted to attend a small college.

Hampshire — For the course that I chose, a two-year college fit my needs, and also if I chose. needs, and also, if I changed my mind as to what I wanted to do, I could transfer to a four-year college.

INQUIRING Gym Instructor's Interests REPORTER Range From Tennis To Music

By Judy Watson

All of you have by now become acquainted with our new blonde Miss gym instructor, Thompson. She can be found on campus either riding in the "Canary" or carring waste baskets with her to tennis class.

Miss Thompson was born in Brooklyn but admits to being a Red Sox fan. She has been playing tennis since she was eight years old. Given lessons at 16 by Mrs. Wightman, famous tennis champion and teacher, "Tommy," tennis with such excellent training behind her, went on to win several championships

At Middlebury College, Miss Thompson won badminton as well as tennis competitions. She majored in Home Economics during the college year and taught sports at a camp during the summer.

From college Miss Thompson went on to work as a buyer of sports clothes in her father's sporting goods business in Boston. After eight years of purchasing, she commenced work at Stearns department store as an assistant buyer in the coat department. She remained in this position for a year and a half. Miss Thompson remarked, "It was fascinating

Then Lasell beckoned with a gym position. Miss Thompson had to the famous American Field always been active in field Hockey Association squad which hockey, tennis, volley ball, and the other sports which Lasell with the world-renowned St. Cecethe other sports which Lasell with the world-renowned St. Ceceoffers. She likes being with lia Society of Boston, takes voice

> Lasell's new gym instructor advises an active life for all girls. "I've met a lot of men through sports, but I've no strings attached — I'm free and having a good time."

Miss Thompson says if she had it all to do over again she would go into teaching earlier. "In many cases, people are influenced too much by their family. They should stand on their own two feet and think for themselves. College is the place to do it."

As far as Lasell girls are concerned, she says, "There is a great spirit of loyalty and cohesiveness at Lasell, also friendliness as a result of community living. The girls stick to things that they start."

She urges all of us to come out for sports, for it builds a good sense of values and strengthens our character, mind and body.

Freshmen Elected To Exec. Council

Carole Bartholomew, President of LCCA

LCCA President Carole Bartholomew Plans For N. Y. Secretarial Career

By Marion Heinsohn

Carole Bartholomew, commonly known as "Bunny," is one of the friendliest and busiest girls on campus. She is president of the LCCA, which, as can be observed, entails a great deal of work.

Bunny comes from Bridge-waters, Long Island, and is en-rolled in the secretarial curriculum She is quite often seen running from shorthand class the Barn to pick up her mail. One of her roommates' pet peeves the fact that Bunny always gets mail.

Carole shares the first floor triple in Draper with her room-mates Donna Carr and Debbie Hestwood whom she finds great pleasure in teasing. It is rumored by her friends that Carole does some strange things. Her alarm clock which should go off at in the morning goes off instead at 7 in the evening. Bunny also wardrobe of close-clipped, has the unusual habit of waking up laughing in the morning! The reason for this is that one Bunny's favorite pastimes is to laugh about past embarrassing moments and experiences. have certainly had my share of their nubs and fuzz are entirely them too," Carole commented.

Bunny is pinned to an SAE at St. Lawrence University. The lucky boy's name is Walt, and right now she is knitting a pair Recently six girls were elected by their classmates to the positions of freshmen representatives to the Executive Council, Lasell's knitting for Walt, she can be found until to the Executive Council, Lasell's council and the council and t

secretary. She is very thankful that she had the opportunity to come to Lasell, and says that she will never forget "the friends I've made and hope to keep through-out the years, and the memories I'll always have to look back on."

Cafeteria -

(Continued from Page One)

taken for granted. Many people seldom realize the great amount of work necessary to meet the necessary to meet the supply and demand of everyday needs.

Aside from the professional knowledge and experience gained from such as Cafeteria Management, there are also a great many practical results. Scarcely anyone will be able to avoid the position of housewife and homemaker. Knowledge of cooking and food preparation will surely be asset, and also a sure way to a man's heart!

Exec. Council News

Recently elected to represent Lasell at a convention at Bennett Junior College in Millbrook, York, were Pat Woolley and Mary Ann Fuller. The purpose of the conference is to discuss various junior college activities. Ten other junior colleges will be represented at the convention.

It has been decided that the Snowball will be held in February with Ken Wenning's band supplying the music. Donna Carr is in charge of the dance and has an-

A Message From The President

Almost before we know it, it will be time for midyear exams. You owe it to yourself and to Lasell to do the best possible job on these examinations. Remember that failure is about the only thing in this world that can be achieved without effort. The middle of the year is inventory time. Everyone will soon be talking about midyear examinations and because they are of such deep concern to all of you, I think that a few helpful suggestions may be in order at this time.

you whether you are officially discovered or not, and in a class reunion 25 years from now you will undoubtedly overhear, or your husband will overhear, "Who is that woman in the blue hat?" and the answer will be "Oh, that's Katie with the wandering eye; don't you remember her in the finals? She got through on her long sight."

Have a clear head when you are to take an examination. It is a great mistake to work to be caught. Somebody sees meet more seniors. It seems that to do it? Teachers certainly don't advocate this practice, and yet for some students it works. Excellent grades are obtained from this rejected study habit: the information is freshly ground into the students' minds; the mind. Is it wrong to do it? Teachers certainly don't advocate this practice, and yet for some students it works. Excellent grades are obtained from this rejected study habit: the information is freshly ground into the students' minds; the mind is keyed to the exact pitch of tenhalist the part of the Law in the mind. Is it wrong to do it? Teachers certainly don't advocate this practice, and yet for some students it works. Excellent grades are obtained from this rejected study habit: the information is freshly ground into the students' minds; the mind is keyed to the exact pitch of tenhalist the proposition is freshly ground into the students' minds; the mind is keyed to the exact pitch of tenhalist the proposition is freshly ground into the students' minds; the mind is keyed to the exact pitch of tenhalist the proposition is freshly ground into the students' minds; the mind is keyed to the exact pitch of tenhalist the proposition is freshly ground into the students' minds in the don't here and yet for some students it works. Excellent grades are obtained from this from the follow. The proposition is freshly ground into the students' minds from the followith proposition is freshly ground into the students' minds from the followith proposition is freshly ground into the students' minds from the divocate this practice, and yet accu

tion. It is a great mistake to work very late the night before or to work right up to the portals of the examination room. Far better to spend a half hour before examination listening to music or on a walk looking at the trees and the sky or reading something light. You will come freshly to the work, whereas working up to the edge of the examination room you start in a befuddled condition of mind.

It is a good thing to read the questions you are asked. The questions are not set by detectives in order to catch you. They are really set by friends who want to give you a fair chance to show what you know. Do not answer a freshmen and seniors. It's imquestion before you read it lest you find that you have possible to know everyone, but written a beautiful four-page life of John Bunyan and the question is not about "Pilgrim's Progress" but the Pilgrim fathers.

Strike a balance on your time. Take a look at the examination paper as a whole so as not to overdo any one question which may be the least important question on the paper. The most valuable principle is not to give up too soon, not to throw up your hands and go to the bottom feeling perfectly convinced that you do not know the answer to the question. You think you do not know it. You are perfectly sure you do not, but if you give your unconscious self a chance, nine times out of ten the answer will come drifting in out of the fog.

get angry or worked up or annoyed before an examina- remember that thousands of young women have gone tion. The emotional state is tremendously important and before you and that this campus has been the college any person who has had a violent quarrel at breakfast home of young women from all over the world for over misses many questions in an examination which she a hundred years. These young women have established would otherwise be able to answer. The best rule of all Lasell's high reputation. It is your responsibility not only is to read the whole exam through carefully before you to respect and honor this reputation, but to add somewrite one single word, then answer those questions which thing to it. you are sure of first and fast and gradually work up to

By Nancy Grey

For this inquiring issuc the reporter has asked six Lasell students a question which may have occurred to many people during their two years at Lasell. "How satisfying is the relationship between my class and its co-class?" These answers from both freshmen and seniors may be encouraging to those who feel that this relationship leaves much room for improvement.

Karen Daniels, Milford, Conn. think that it is a very good relationship. The seniors are very friendly to the freshmen,

Brenda McLafferty, Rangeley, Maine. "It is a very close relationship. The seniors tried to help the freshmen when they

Mary Lou Moran, Milford, Conn. "It is a very warm, joined relationship. We are more apt to find this atmosphere at a junior

college. Let's keep it up!"

Fran Klein, Mount Vernon,
New York. "There is a very

INQUIRING "Burning The Midnight Oil" REPORTER A Useful Guide For Crammers

By Louise Jucknavorian

mas and all through the house division.

minute atempts to cram.

Cries of "Why did I leave it till tonight?" or "Ive got 100 pages to review," or "Is the Library still open? — that assigned reading is definitely going to be on the exam," all chime in with the hysterical wail of the girl who's missing last November the author's theories with his own initiative and originality. He does not ape others, but is himself aped by those who in their apery ridicule themselves.

Therefore, the key to objective knowledge basically lies in a long-range study habit. This method consists of a series of casual readings of the material at hand. Casually as one may read the 14's notes. Ash trays overflow with butts, smoke gets in the cyes, coffee cups are filled and emptied and refilled, pencils are sharpened, sentences are undersharpened, outlines are made, percentage of the material at hand. Casually as one may read the daily comic strips or listen to the radio. Constant reviewing over a period of several weeks in this manner results in a companion, and the friendship instead of a manner results in a companion, and the friendship instead of a manner results in a companion, and the friendship instead of a manner results in a companion. lined, outlines are made, pages able friendship instead of a men-are turned, memorized and for-tal fear of the material. Also, the gotten, last minute questions are two or three weeks spent in this flung to others with no returning method enables the the freshmen when they were replies, thoughts of calling the 'lost' during the beginning of the instructor at 10:30 p.m. are considered, the precious hours fly by, the lights keep burning, no time left to study those chapters not covered in class . . . what to do . . . I was a fool . . . never again!

They call it cramming, but just what is it? Webster defines it as hastily acquired knowledge key away and until the machine runs down the automaton keeps ticking away. From time immemorial cramming has been the byword of the student during exam time. Of course, everyone knows the errors involved incur such situations as overtension resulting from lack of a sufficient amount of sleep or a shortage of time for reviewing supplementary material.

Perhaps the main fault of cramming lies in the quick memorization of material . . . quick memorization that is lost to the individual for future use. Education should not be used for the purpose of making Dean's List only. Certainly, honor grades are an excellent reference for future employment, but the actual appli-Seniors Patsy Graff and Ann the individual who crammed his Reeves have recently been appointed staff members of the "Lasell News." DON'T MISS IT!

The Lasell Ski-Weekend

This is the 59th consecutive year that a group of Lasell girls has spent the between-semesters break in the White Mountains makes it the oldest unbroken collegiate winter sports tradition in America. For full details, see "Miss Mac" at the Athletic Office. All arranged (like the two other big travel bargains of the year.)

by BASSETTS TOURS, HAVERHILL

African Dancer & Lecturer On Speakers Bureau Program

Speakers Bureau members are enthusiastically planning for their big program of the season on February 4, Winslow Hall, with most unusual personality as

Jean Quatermain is half Algonquin Indian, half East African, and has lived and lectured in America, Africa and Asia as an ambassador of good will ever amoassador of good will ever since she was ten years old. In Africa she is welcomed as "Indian," for as American films have led Africans to believe that all American Indians are dead, they think of her as being from India, a country they respect.

Educated at Barnard College, she has written articles on colo-nialism and Asian and African nationalism for the "Christian Science Monitor" and the "Herald Tribune." Her dances have been learned on American Indian reservations and rubber plantations of Liberia and Ceylon, as well as the outdoor night clubs of the Gold Coast and Nigeria.

At the celebration of Ghana's Independence, Miss Quatermain was hostess and interpreter for the government, and she tells of her experiences with a guest list including the Duchess of Kent, who represented the Queen of England. She explains why polygamy works in Africa, why Communism is not a threat in freedom—Bulletin will announce the date

want to miss, so tell your friends, to fill Winslow Hall. Remember and bring your dates. Posters the date. February 4 at 7:30.

Lasell Psych Dept. Head Announces Mexican Tour For Spring Vacation

"Habla Espanol, mis amigos?
Do you speak Spanish, my friends? You may if you wish, but it's not necessary — they understand English in Mexico."
Mrs. Elinor Trowbridge informed me during my recent conversation with her on the subject of the Mexican tour which she and her husband, Mr. Lowell S. Trowbride, acting chairman of the department of human relations at the last survivals of fun!

Honest of fun!

New Book Fair

Your attention is called to the fact that once again the annual Lasell Book Fair is scheduled to be held in the College Library. Dates this year will be Tuesday and Wednesday, March 11 and 12. Miss Frances Atwood, College Librarian, who so successfully introduced the idea of the Book Fair here in 1956, will be in charge of the arrange-ments. Watch the "News" for further information about speakers and guests.

Snowball Features New System For Choice Of Queen

By Nancy Grey

Soft lights! Slow, dreamy music! A glorious, radiant setting of winter fantasy! And you can share these enchantments by inviting your favorite fellow to the Snowball.

Trying to keep the dance novel, Ginny Ambrose, head of the planning of the Queen Ceremony, said that they have a tentative idea in mind that the dates will be the judges for choosing a queen. Every boy will be given a piece of paper as he enters beautifully

munism is not a threat in freedom-loving Africa, and tells of her tours to the haunted castles along the coast of Ghana. To top this off she is an executive member of the Asian-African Organization of the United Nations.

Foreign Students Address Church Group

By Judy Gray

Lasell's attractive from overseas students were guest speakers at a meeting of the Women's Auxiliary of the Church of the Messiah in Auburndale on Monday, January 20.

They were Mahin Sorouri, Iran;

Gladys Oro, Panama; and Polle Kugler, Austria.

Mrs. Trowbridge had innumerable things to tell me about Mexico since she and her husband had spent five days there last Winter. For one thing, the climate is perfect, she reports, at least in Mexico City, which is situated on a high plateau, from which the sky always seems to be of a rare shade of blue because of the elevation of the city.

The tiny shops which line the streets are open until guite late to of the cause of the elevation of the country — the polices the famed House of Tiles, a last survival of the fabulous days there fabulous empire of Maximillian and Carbot the United States, spoke about the Moslem religion which is practiced by the majority of people that she believes that Mohammedanism there.

Mahin Sorouri, who left Iran almost two years ago to come to the United States, spoke about the Moslem religion which is practiced by the majority of people that she would prefer to remain here.

On the subject of religion, she wanted an opportunity to study in Germany, but during her first visit to the U. S. in the company of her parents, she decided that she would prefer to remain here.

"The News" And Its Readers

News, News, News, News. Nearly half a year and six date. It is appealing to the coles after its first evaluation, the "News" takes another lege age group because of the issues after its first evaluation, the "News" takes another look at itself. One of the main thoughts on its mind is how it is affecting you, its readers. That there has been some sort of a response, we know. We also know that L. I. this response has varied with each person and with each game dances at Harvard because issue. The only way in which we can comply with and satisfy our readers is to hear from them. Indirectly we have been informed of various feelings but not directly, which is usually the more profitable way. We sometimes feel that an adverse reaction toward something is better than no reaction at all, for it at least shows interest which the other does not. However, it is hoped that these negative feelings will not be, or at present are not, prevalent and that in general the "News" is satisfying what expected and only a foolish person or institution turns on a date because the prices are its head upon them, but they should be more than mere moderate. name bands play there complaints. They can be constructive comments which on weekends, and drinks are served. are made with the purpose of improvement and that is what we are aiming for.

In the preceding paragraph it was mentioned that because the "News" is a college paper. This distinction must be ment." kept in mind by those who write for the paper and by those who read it. A college publication has certain responsibilities which it must face and try to realize. As mentioned previously in another issue, the principal functions of the "Lasell News" seem to be to reflect, interest, educate, and entertain you, the readers. In order to accomplish this end the paper employs a variety of means. A balance is sought between the more serious and the lighter N. Y. — "I like to go to the side of the news itself and of feature material. As in life Polynesian Village because it has balance is sought between the more serious and the lighter itself, it is not practical to try to aim for all one or the other. As much as we all like to laugh, a newspaper published by a college, and which is also financed by the administration, has other duties than simply to stimulate the funny bone. The "News" has also a wide variety of readers and their interests as a whole must be considered. Out of approximately 2,000 copies of the paper published each issue only about 600 remain on the campus. The rest are sent to interested alumnage property of think sports appeal to almost everybody in the college age. The rest are sent to interested alumnae, parents, and high group. schools and preparatory schools. Thus it is easy to understand why a broad scope must be covered when considering the material which is included in such a widely circulating periodical.

In order that we on the "News" staff may better realize our goal of satisfying you in a suitable way we ask you one favor. (And alumnae, parents and friends are included in this request.) We want to know how you feel on the subject of the newspaper, and there is one way which you can easily let us know. A space is always reserved in this paper for letters to the editor, and your thoughts are welcome there. And to eliminate the fear that many people have of seeing their names in print, especially when expressing personal opinion, we wish to remove any misunderstanding created by saying that all correspondents must include their signatures on letter when sent to us; all you need to do is request that it be withheld from publication. Let's hear from you.

The Barb Gunta this confusion, Miss Watt, who the Draper Girls think is the best house stairs with another arm-load of sweaters to sell. She is hurrying the fundation. Currently a student at the New England Conservatory of Music in Boston, Lora was invited by the judges for the Foundation to come to New York for a tryout. Late in December she appeared on the stage of Town Hall there and played certain numbers from her repertoire for the committee.

In the midst of all this confusion, Miss Watt, who the Draper Girls think is the best house mother on campus, is using the "two-finger" method in typing up her First Aid exam. At the same time she is watching the Early Show on her TV set.

While we climb the stairs to the second floor, we hear someone moaning, "Errol, Errol Garner." It sounds as if it's coming from the Brenda's Hideway. We trip over a wastepaper basket block
(Continued on Page Three)

By June Leary

For this issue the Inquiring Reporter has polled the opinions of six representative Lasell girls on a question of the widest possible interest — "Where in the Boston area would you recommend going to on a date, and why would this place be of particular appeal to the college age group?" Their answers, which give you some useful ideas of your own, follow:

"I think that Blinstrub's in Boston is a nice place to go on a exceptionally fine entertainment offered there."

Barbara Lewis, Great Neck, "I like to go to the postto round out the day.'

Donna Daly, Yonkers, N. Y. weekends, and food and soft

INQUIRING "Rich, Full Life" Is "Lamp" REPORTER Editor's Campus Specialty

By Patsy Graff

When the class of 1958 graduates in June they will assimilated a variety of impressions; these impressions are gradually grouped into fairly compact bundles.

Mary Ann Fuller is one of the personalities that a lot of people include in their "bundle" of impressions — that type that is universally remembered at a class reunion.

Mary Ann fits into a niche at Lasell. She is the girl who is yearbook editor, member of Executive Council, co-chairman of decorations for an affair like the Snowball, and a Dean's List student. She is one of the cogs in the wheel that regulates campus life. Pleasant, attractive and in-telligent, Mary Ann gets things done and done well. Yale senior and has spent many enjoyable weekends in his com-

About Lasell she says, "I love Lasell and everything about it: remembers one weekend when the people, the trees, Miss Joy's, Jett and the boxer that growls at me every time I buy an ice should be a superstant of the requested "Picnic" at a DKE Sunday afternoon jazz session; not only did the "Zebras" comply the request but they wound cream cone.

so to the postarray because and it helps day."

A liberal arts major, MA, as their way through the crowd she is commonly addressed, will go on with her education at a four-year college; she would like in front of an amazed MA and to have it be Connecticut College to her date.

It is not hard to discorn that

MA associates two songs — I could sleep on a rock "Moonglow" and "Picnic," with a vided it was a diamond."

Mary Ann Fuller

enjoyable weekends in his company at Yale. She particularly with the request, but they wound

It is not hard to discern that Mary Ann realized that there is "so very, very much I don't know, I want to be at least familiar with a portion of it."

She further states that "I enjoy school, I really do. I'm interested in Lasell. She says, "I'd like to see Lasell adopt an academic honor system, which I think would serve as a reminder to us to keep our standards high."

Not explorately advantaged that there is not hard to discern that Mary Ann Fuller is sincerely interested in Lasell. She says, the same interested in Lasell. She says, and the same is not hard to discern that Mary Ann Fuller is sincerely interested in Lasell. She says, the same is not hard to discern that Mary Ann Fuller is sincerely interested in Lasell. What Will You Be Like At 45?

The belief that life begins at forty is one that is hopefully accepted by the thirty-nine-year-old as valid keep me company is a number and ignored by the twenty-year-old as inconsequential. one on my list. Unfortunately this belief cannot be proved or disapproved conclusively by examples around us. A critical survey of your Over-Forty-Friends will without a doubt reveal that of suntan oil? for every vibrant soul who has succeeded in the proverbial struggle for a "new lease on life" there are five more who are excellent examples of mental and physical degene-These youthful few, although in the minority, seem to prove that an enlightening life after forty is course, I can't forget a case of possible. But why then, aren't more people able to reap gingerale which would passify my long for her marks, especially in the benefits of rejuvenated middle age?

One look at the college girl of today should be an indication of why most people fail to utilize their later years. Some explanation can be found in a body mechanics class. Girls supposedly in the prime of life find it almost impossible to reach their toes and a great effort to reach their knees. Resistence to exertion is the general rule. Why then at forty do they suddenly start moaning about their collapsing physical state, their inability to move around or bend over. There has been no great Conn. change. In college a girl has already started the downward trend to physical degeneration.

Similarly, the mind does not, as a rule, give way to spontaneous disintegration. A person does not suddenly a one-way ticket to the mainland become intellectually dull at the age of forty. Not unless become intellectually dull at the age of forty. Not unless she has been dull all her life. This is usually the case. The intellectual bore is more easily concealed beneath a Conn. size nine and a new hat than a size forty and a grey head. Anyone that is old and on the downward path at forty finds herself in no different a situation than she has been in all her life.

If middle and old age are to be rich and interesting they must be prepared for and exploited while still young. Don't sterilize your life — be creative, write, paint, carve, play music, cook, garden, sew, study, experiment, travel, read. Don't lose spontaneity. Don't sit back and wait for old age to claim you. - J. H.

Yes, "what three things would wou take with you if you were why."

By Jo Chadbourne

One of the biggest topics of dis-Editor's attention that articles in an amusing vein are in demand by its readers. Keeping this fact in mind, we felt that it would be fun to ask a nonsensical question, summer. Marian Dreifuss is the fact planning of their wedding for this who are making the trip are busy making plans: one of their bigand to see what type of response it would bring. The question chosen for this issue was "What three things would you take if and Bruno are there there things would you take if and Bruno are there is an are the second are there is a second are the second are there is a second are the second are chosen for this issue was "What three things would you take if you were to be abandoned on a desert island?" We hope that you will enjoy the answers as much as the girls did when approached.

Saranac Lake, New York. Marian their you would give them ideas on what wedding on June 29. Patricia could give them ideas on what wedding on June 29. Patricia Bermuda. There are many colleges who go to this sunny spot uate of Wesley Junior College in Delaware. August is the month during which they plan to be students, the theme is definitely during which they plan to be students, the theme is definitely married. Diane DuBois is the collegiate. One of the mistakes Wellesley, Massachusetts. Diane of a completly new wardrobe for Wellesley, Massachusetts. Diane and Art also have set the date the trip. Don't waste the money! If you want many new spring clothes wait till you get to Bermuda — the shops there are fabulous and you can pick up clothes there at prices much lower than in the States. For example, the girls were amazed last year with the Shetland sweaters available for six to nine dollars which would have cost them twelve to twenty dollars at home.

> After arriving in Bermuda, you will spend three-fourths of your time in bermudas, shirts and crew-necks. In spite of the warm sunny weather the students never drop the crew-necks. You won't be needing knee-socks because of the heat; socks and sneakers will accompany the bermudas. Cotton bermudas are the best and khaki and Madras are the most popular.

> > (Continued on Page Four)

prepared for the faculty for Mon-Lasell to give out marks.

I think it is a very poor policy to keep the student body waiting rolled seven new students and two former students have returned to classes this semester.

(6) Since Feb. 3 we have sent at 54 transcripts of record for students who are seeking transfer or admission to other colleges. (We are holding seven more for incomplete grades, and this morning received six new requests.)

Grades will be sent to your mailboxes some day next week. The Dean's List will be released when all grades are received, and you already have the Low Scholastic Standing bad news!

Sincerely.

Helen L. Beede, Recorder

February 8, 1958

Dears Editors:

This is to tell you how very impressed I am with the development of the "News" under your editorship.

The layout is clear and attention getting and the balance of news, feature articles and college curricula interest is extraordinarily well conceived.

One of the chief factors I've noticed is the relative absence of printer's typographical errors, so often a nightmare to the harassed editor, even and often in the metropolitan papers. And, too, you present 'chit-chat'' w nt personalities with an economy coverage yet adequate for the student appeal.

All in all, I think you fulfill admirably the classic newspaper or journalistic functions to tell

- "what- where- when- how-

"The Night Before Chandler And All Through The Mouse"

By Jetta Fucito

It's seven A. M. and through Chandler House Alarms clocks are buzzing in tones just like Strauss. On the first floor Pat Barker is lifting her head, Which she'd much rather keep firmly down on the bed. But slowly and surely and with a deep yawn, out of bed and into the john Mary Danberg, her roommate, is up bright and early, Doing her undies in soapsuds so pearly. And just before classes she throws a sweet kiss,
To George on her dresser — Ah! Love is such bliss!
Strolling to breakfast in a 1, 2, 3 clan,
We find our friends Nickie, Janet and Fran,
Who are deep on the subject of studies it seems —
The subject of men whom they've seen in their dreams. Janet March says, "Forget them — for they're all the same."
But Nickie knows one who "has certainly changed."
Though Fran has no favorites, she thinks they're all right To laugh with and dance with on Saturday night. As we leave Nickie Wickersham, Fran and Janet for now, We run into Dottie and Connie and — WOW! Dottie Lezon is nervous and in a deep fright It seems that her beaux got confused Friday night. Her blond hair is enviable and sure enough bait So that on this great weekend her men totaled eight. Connie Wolcott is beaming, just happy with joy —
You can tell from the stamp that it comes from her boy.
She passed her last 100, and as of just late,
She thinks her instructor is, after all, great.
As we run back from lunch to assemble our hair
We find Toni Thomas in utter despair.
She can't understand why her gym suit's not dry She can't understand why her gym suit's not dry, Especially since gym class is now drawing nigh A few hours later, about half past four Betty Peer runs up the steps and swings open the door. She flys to her room and is in a great scurry, Puts on her boots — for it's started to flurry. And Carol Perrotti is waiting down by the "Pine," For tonight she and Betty are going to dine. Now Carol has problems, a dozen or so. They include Harvard, The South, Harvard and OH – A little bit of Dartmouth — a real Dapper Dan, But it's Harvard that houses her fine Southern man. On the third floor of Chandler, we hear a munch, munch, Which is appropriately followed by a chompy crunch, crunch. Is it squirrels? Is it mice? Is it something that's sandy? No, it's just Brenda Holbrook who's chewing some candy. Harmonizing with Brenda is the typewriter's click, As Pat Watson gets out the "News" real quick. Her weekend at Dartmouth was more than just great. She enjoyed all the parties — and even her date. Brenda thinks Dartmouth is merely all right — Brenda thinks Dartmouth is hierery an right.

But her choice is Bowdoin on Saturday night.

In room number nine — we're still here, you bet,
Dorrie Treuting, Kirt Harvey and little 'ol Jet.

Kirt is just screaming — a letter from Gene,
Has mde her whole day simply light and serene.

Her history is sitting on top of her math,

But selly get to that right after her both But she'll get to that right after her bath.
Even Dorrie can't study — she won't even start —
Her man's in the Navy and so is her heart.
Her eyes are glued sternly to that nasty Ec book, But my dear little friends, if you take a good look — Her "Ec." book is green and this one is brown, And besides that — she's holding it quite upside down. With a bumpity bounce and a shout full of joy, Jet runs to the phone and it is from her boy. Her heart is just thumping, for she's his favorite fan, He's stalwart and true — he's a Wesleyan man. "Tony's coming tomorrow," we hear her voice sing. Well — what do you think the future will bring? And last but not least to the first floor again, Mrs. Philbrick, our "Mom" adjusts Channel Ten. We girls pile in to join her and see
There's no Channel Ten on this swivel TV.
We all laugh about it and make a great fuss,
As mom says how she's getting to be 'zactly like us.
Then we run to our beds and turn off the light And fly on our dreams far into the night.
Until in the morning we hear that old bell, Which reminds us we're still a part of Lasell.

(Continued from Page Two)

(Karandon) by an even larger

The Frosh lost their first game Bragdon Karandon. Gardner also won two games by defeating Karandon.

The mixed team, Senior IV, won their second match by beating the Freshmen by 10 points. This was the closest game of the with the Frosh never admitting defcat.

In progress is a ladder tournment. The girls have had fun moving up and down the ladder competing with one another.

The teams of Anna Natsis-Arlene Kulin and Sally Brockway-Carol Anderten seem to be having quite a torrid contest for first

The top 18 girls on the ladder who have kept good attendance are scheduled to play two Bouve teams. On February 18, 1958 Sally Brockway, Kathryn Eckert, 1958 petition. Arleen Kulin-Anna Natsis, Connie Hanson-Judy Thayer, and other Ivy Leaguers. and Cathy Carver-Carol Brett will play in the doubles tourney.

Lasell will be the host to a similar match on February 21.

Prexy Of Student Court Always Ready For Off-Duty Relaxation In Draper

By Louise Jucknavorian

A black robe swishing through corridors heralds the f senior Donna Carr, to the Senior III team, who went on to win another game against president of the Student Court, Karandon. Gardner also won two vice-president of the Executive Council, Dean's List student, and chairman of the Snowball com-

The Snowball

Lasell can be proud of its many fine traditions. Of these, one of the nicest is the annual Snowball.

The Executive Council and the Committees who Dear Katie Ann, worked so diligently to make this affair a success should be congratulated for their fine job. It takes many people who are willing to do some extra hard work and timeconsuming jobs to make a success of this occasion. For has taken this opportunity to weeks prior to the dance, the committees, under the show his literary ability. We direction of their able chairmen, were preparing for the would be very happy to hear any event.

I think that all those who attended the Snowball on February 15 well appreciated the efforts that were put on February 15 well appreciated the efforts that were put into the affair. As they walked into the door of Winslow Dear Editor, Hall, they were greeted by the strains of Ken Wenning's Orchestra. Upon entering the dance floor, they were

swept into the mood of a wispy, wintry evening.

I'm sure that the evening left many pleasant realized with a start that I have memories with all those who attended. Congratulations to all who helped make the Snowball the memorable occasion that it was!

Those who are courageous enough, attempt to battle the biting flakes and heavy drifts to secure for themselves a package of cigarettes, candy, or another necessary luxury. Others are quite content to remain indoors with some left-over provisions.

Along about twelve noon and approximately around six again, we see through our dim visual perception something very much response.

To The Editor

Dear Editor.

I have a sister at Lasell, June Leary, and thus our family re-ceives a copy of the "Lasell News." I wish to tell you how much I like to read your paper because of the good human interest stories. I enjoy the cute articles on the girls in the different dorms. When are you going to do a story on my sister's dorm, Karandon?

I do quite a lot of writing myself — feature editor of school paper, editor of yearbook, and writer of the school news for the self weekly town newspaper; thus I appreciate good and interesting writing when I see it.

Kecp up the good work, and please do a story on Karandon!

Very truly yours, Katie-Ann Leary Manchester Center Vermont

Thank you very much for your letter and your interest in the "News." In reply to your request other suggestions from you.

Sincerely.

In case any of the girls who are planning the trip to Mexico during Spring Vacation missed the meeting concerning the clothes to take, here is a summary of suggestions made by Mrs. Trowbridge.

"Thin wool, cotton, or linen are are not worn except at resorts. Is it worth taking your Bermudas gives excellent support. for just a few hours? (Probably It sounds as though there will not.) Take a bathing suit and cap, simple cotton dresses or that type of thing (drip-dry is best) or tw-piece dirndl skirt-blouse combinations. Don't buy new things — you aren't going on your honeymoon and your parents will be spending enough already without you planning a Mexican trousseau. Your regular pretty summer things such as you would wear around Boston and Newton

teams can take it — may the best team win!

Herely ignore you — they are too polite to stare, but their thoughts will be disapproving. Be sure to bring a cardigan sweater or stole polite to stare, but their thoughts will be disapproving. Be sure to bring a cardigan sweater or stole for chilly evenings after the warm Mexican sun goes down. ning dress! A wide-neck A wide-necked cotton with full skirt, topped by stole, is dressy enough. Bring or wear a topcoat or equivalent.

"Have two pairs of shoes which are suitable for a good deal of walking. You can begin to wear them and break them in now — feet get larger where the climate "Thin wool, cotton, or linen are good materials. Slacks and shorts of quaint colonial cobbled streets!

"A light-weight over-theshoulder or over the forearm handbag with a zipper compartment for money, vaccination cer-tificate, and identification is necessary. Avoid the leather-lined type of bags which weigh five pounds when empty. You can buy alligator and straw handbags in Mexico.

"Bring a scarf or net for your hair, or even a hat if you like to Bring your prescription sun glasses and the prescrip-tion or, better still, an extra pair, off-the- if you really depend on them

"Mexico is really quite civilized; so don't bring every little thing you think you might need."

That's about it. We know the girls who are making the Mexico trip are terribly excited about it and are counting the days to Spring Vacation! Have a wonderful time!

Workshop Players Repeat "Everyman" At Popular Request

When approached by members of the Chapel Committee several weeks ago, regarding the possible participation of Workshop Players in a pre-vacation Easter vesper, Miss Wethern, Players' director, "As a matter of fact, we have had several requests to repeat our production of 'Everyman,' which we presented in a short form for a Christmas vesper in 1956. This is perhaps a good time to do it, before 'Everyman' gets away." She meant that Jetta Fucito, now a senior, played the title role in the concert reading version of the famous morality piece. Other seniors who expect to recreate the roles they played in the former production are Diane Collins, Kathy Scanlon, and Sandra Brideau. The Lasell Choir will collaborate with Players in the performance.

"Everyman" is one of the oldest and most famous of morality plays, and is generally considered the greatest among them. The story is found in a religious romance by John of Damascus, who died about 770, and the dramatic form is believed to be from the pen of a Dutch priest, Peter Dorlandus of Diest. The play existed in print in England around 1500. It was presented freqently until the reign of Henry VIII, and then find the stand the girls cited at the Honors Assembly were Judy Kaufman, Sue Allen, Ginny Ambrose, Constance Baker, Millicent Carlson, Donna Carr, Sue Clary, Sandra Fookes, Judy George, Judy Gray, Jane Gregson, Marion Heinsohn, Barbara Johnson, Louise Jucknavorian, Marianne pen of a Dutch priest, Peter Dorlandus of Diest. The play existed in print in England around 1500. It was presented freqently until the reign of Henry VIII, and then find the print in England around 1500. It was presented frequently until the reign of Henry VIII, and then the print in t the reign of Henry VIII, and then for some reason it was forgotten.

great revival occurred in 1901, when the Ben Greet Company toured England, Scotland Ireland, and Charles Frohman, famous as a theatrical producer in America, brought the play to New York. During that time it was played in Boston, as well as in major cities and at colleges and universities through-out the country. The title role usually is played by a woman, and another American revival in 1927 presented Margaret Wycherly in a beautifully moving performance.

"Everyman" is frequently used in observance of the Lenten sea son, because of its poignant and gripping message. It is traditionally performed during the summer in European cities which have processing the same traditional traditions. have preserved their medieval quaintness, and draws an international audience, as does the Passion Play of Oberammergau.

In the play, the Lord of Creaof angels, and have adopted ways of pleasure and selfishness. He commands the Angel of Death to find Everyman, and show him a pilgrimage that he must take, from which there is no return. Everyman asks Death "Shall I have no company?" "Repulsae Nescia"

"Repulsae Nescia"

Proudly we wear our snow-white Lasell blazers trimmed in a color distinctive of our individual class. Outstanding against the white is a circular scalloped seat decorated with a blue motif of lines and letters. Representing a pleasing ensemble to the eye, we act out our lives as college students in a circle of activity. The casual observer observes and looks away with a feeling of pleasure at the outward aspects of the student. The perceptive onlooker looks and thinks," "What does she represent?" How many of us are aware of what we represent?" How many of us are aware of what we represent? Probably much of the ultimate judgment rests with our overall attitudes toward life. As is learned by all who study psychology, these attitudes have their beginnings in early childhood and continue to grow within the individual more or less unconsciously. It is interesting to see how they manifest themselves outwardly in an individual more or less unconsciously. It is interesting to see how they manifest themselves outwardly in an individual more or less unconsciously. It is interesting to see how they manifest themselves outwardly in an individual more or less unconsciously. It is interesting to see how they manifest themselves outwardly in an individual more or less unconsciously. It is interesting to see how they manifest themselves outwardly in an individual mor

formed frequently do this type of summing up or evaluating in the choice of a *motto* to represent the things for which they would like to stand. Lasell has done this very thing. How many of us are conscious of the meaning of "Repulsae nescia" which we wear on our circular Lasell seal? Could we take this motto as our personal one? If we all did, the aim of the college would reach its highest plain. As it is, many of us are not actually aware that ticularly we have something to live up to.

Lasell's official motto is taken from the third book of the "Odes of Horace" and is located in the Roman poet's ode, "Call to Youth." The complete Latin phrase from which the motto was taken long ago is "Virtus repulsae nescia interminatis fulget honoribus." Quite freely translated it means "True manhood not recognizing paltry defeat shines on with brilliance unsullied." At paltry defeat shines on with brilliance unsullied." At edg, through the paltry defeat shines on with brilliance unsullied." At edg, through the paltry defeat shines on with brilliance unsullied. At edg, through the paltry defeat shines on with brilliance unsullied. At edg, through the paltry defeat shines on with brilliance unsullied. "Defeat is needed). unknown" is the part of the quotation which constitutes our motto. However, in order to understand the true meaning of the two words, it is necessary to refer to the complete phrase and concentrate on the word, "virtus," "integrity" or "good character." "Virtus repulsae nescia" - Integrity knows not defeat.

Besides the fact that it is suitable that we should

Lasell, Babson Share Time Of Busy LCCA Vice-Prexy

By Marion Heinsohn

who is a senior there.

Gwen, who is vice-president of the LCCA, comes from Scheneetady, New York, where in high school she was very active as president of the ski club. She graduated, "the most happy-golucky girl" from high school in 1955, and went to the University of Michigan for a year. Gwen then decided to transfer to Lasell from the middle west.

Gwen has been known to do some pretty amusing things. A typical example occured on the night of a formal at Babson when she sighed that she did not have a decent thing to wear. Jack wery thoughtfully replied, "Wear Gwen, known to many as a hurlan hag: I won't care." You

executive training program. She Mr. Charles Barry, store manager, spoke, coffee and delicious snacks were served. The group had the opportunity to meet and talk with department. The detailed report of the training proved to be interesting to both the girls and faculty members.

The highlight of the morning was a "brainstorming" session Cronin. He explained that "brainstorming" was a method of obtaining new ideas and is frequently used today in all types of organizations. The idea is to collect as many remarks from the group on a presented topic as is possible in a given amount of the morning actual day-to-day work in the importance which they place on actual day-to-day work in the importance which they place on actual day-to-day work in the importance which they place on actual day-to-day work in the department. The detailed report of the training proved to be interesting to both the girls and faculty members.

The highlight of the morning was a "brainstorming" session Colleges represented at the brunch were Mt. Ida, the Garland School, and Dean Junior Colleges. Lasell is proud of Jotal in the defed to training as active and talk with opportunity to meet and talk with out carny. In the freshman year she was tre

pins and rings will begin to appear. The following girls have state of anything." This wholeness of self or personality, recently become pinned: Barthe inner core of the individual, is that which will not bara Allen to Anthony Bibbo of know defeat if it is composed of the right "ingredients." Newton, Mass., who is attending All through life we mold this self by either adding or the inner core of the individual, is that which will not the final whistle. With these scores, you can imagine how close it was. Who won? The seniors, Mary Landini to Edward Doyle of eourse. All through life we mold this self by either adding or and is felt by others because of her honor, sincerity, courage, honesty and other qualities which are admired and respected by our society.

> This integrity is a living force and is not limited in its capacity to grow and influence others. These virtues can give us goals which are so valuable in themselves that minor or even major disappointments cannot cause our defeat. As is often said, defeat comes not from making mistakes or having disappointments but from failing to profit from them. A person with vital integrity experiences continual growth and not death in the sense of resignation, disinterest, moral decay and dissipation. Even when life eventually ends, a person's integrity lives after her in the form of her deeds and her character's effect on others.

It is by now probably evident that the implications in Lasell's motto could be developed extensively. When one reads Horace's ode, the broad meanings in the words "Repulsae nescia" are even more apparent. While we are here at Lasell and afterwards, we should remember that one of the purposes of education is to contribute to the growth of the whole person and to the development of all one's potentialities. It is by developing this inward integrity that a person's outward aspects take on meaning. Youth is the time to build the foundations for one's character and to make it what one desires.

*

In closing with a stanza of "Call to Youth," which contains one of the main ideas of Horace's ode, it can be added that the true integrity comes from knowing what you believe, from learning to support one's own convictions and to feel that they are right for oneself.

> Defeat true manliness can never know; Honor untarnished still it has to show Not taking up or laying office down Because the fickle mob will have it so.

Pert And Happy Council Secretary Is Best Medicine For Her Patients

By Jo Chadbourne

Linda Ferrucci, one of Lasell's avorite students, can be defavorite scribed in three words: peppy, happy, and busy. Linda, whose resting place is Gardner House, comes to Lasell from Hamden, Conn. She graduated from St. Mary's High School in Haven, where she was kept busy as a cheerleader, homeroom secre tary, member of the student council, and member of the girls

the electives equals the astonishing ratio of four or even five to one, many of us find it impossible to attend these other classes which would enlarge our general knowledge of valuable subjects.

One solution to this problem seems to be the minimizing of required courses to a semester's duration, if possible, or to recom-

Outside of class she loves painting just anything.

Linda has chosen the nursing

She enjoys working at the hospital and has proven to be one of the best

Linda's room, which she shares Another of Linda's interests is with Penny Carlson and Vivian entertaining her, she enjoys "Blue Moon" and "Are You Sincere."

One of Linda's hobbies is "rabbits." She is extremely interested in and has become attached to one from Holy Cross, who seems to be hopping over to Lasell quite frequently.

Linda represented her class last year at the June Court. She eertainly made a cute attendant and her classmates were very proud of her.

When asked what she liked best about Lasell, Linda replied, "All the many smiles and friendly 'Hi's' that are found on L.J.C.'s

Seniors' Active Vice Prexy, "Butch," Is A "Long-Listed Note-Taker"

By Patsy Graff

On Monday evening, March 24, Ann Reeves, commonly dubbed "Butch" by her intimates, could be observed sitting Indian-fashion in the middle of her first floor domain situated in Caroline Carpenter Hall. Her roommate, Starr Tupper, entered from the left and commented, "Roommate, you make a big mess!" remark was motivated by fact that Butch was surrounded by numerous articles which one usually expects to find in shoe boxes, bureau drawers, and closets. However, this temporary situation is rendered immediately explainable, for Butch would be winging her way to glorious Fort Lauderdale, Florida — she was packing for the advent of her spring vacation.

Ann Reeves is a "long-listed ote-taker." For three weeks note-taker." previous to any big weekend or vacation, she can be observed making notations and corrections regarding the contents of her suitcase. This is highly laudable, but considering the fact that she rarely consults the list when packing, it does seem dubious as to the advantages incurred. The rarely consults the list when packing, it does seem dubious as to the advantages incurred. The rarely consults the list when packing, it does seem dubious as to the advantages incurred. The rarely consults the list when packing, it does seem dubious as the rarely consults the list when packing, it does seem dubious as the rarely consults the list when packing, it does seem dubious as the rarely consults the list when packing, it does seem dubious as the rarely consults the list when packing, it does seem dubious as the rarely consults the list when packing, it does seem dubious as the rarely consults the list when packing, it does seem dubious as the rarely consults the list when packing, it does seem dubious as the rarely consults the list when packing, it does seem dubious as the rarely consults the list when packing, it does seem dubious as the rarely consults the list when packing, it does seem dubious as the rarely consults the list when packing, it does seem dubious as the rarely consults the list when packing it does seem dubious as the rarely consults the list when packing it does seem dubious as the rarely consults the rarely consults the list when packing it does seem dubious as the rarely consults the rarel following quotation sums up template marriage upon her grad-Butch's philosophy in regard to uation from a senior college.

- everyone should have one or two. On the whole, Ann, as vice president of the senior class, publicity director for Speakers Bureau, a Lamp Lighter, "News" staff member menu chairman of staff member, menu chairman of Father-Daughter Weekend, and crew captain in last year's frolic on the Charles has proved her capabilities and interests in many

aspects of Lasell life.

Lasell as 'Hank' and I'll graduate as 'Buteh' — I wonder what's in store for my daughter?"

Some Straight Thinking On The Subject Of LCCA

By Carol Bartholemew

The Lasell Campus and Community Association, of which we all are members, is the organization on our in business everywhere. campus which is designated to be of service in bettering the campus and community. This can mean a wide variety of activities sponsored by the LCCA and a chance of developing itself into a much stronger and more worthwhile organization.

However, we have been fairly limited this year and To the Editor of the "News: I am sure that this has been true in previous years. I have been very closely connected with the LCCA this past year been very closely connected with the LCCA this past year my congratulations on the reas its president; therefore, I have developed several ideas straint and good taste of her and suggestions for its improvement in the future. and suggestions for its improvement in the future.

There is a notable lack of interest in this organization and I tie this to the fact that the girls, mainly the gent way in which she presented freshmen, don't know about its functions or get to take a controversial issue. I for one part in them. About this time last year I was elected an am delighted that a student has been sufficiently interreted in an officer of the LCCA as well as two other girls; and there were seven board members elected who are chairmen of self through this column. the various committees. We came into office last September with little or no knowledge about the activities. We were among the large majority of girls who had never had much contact with the LCCA. It was suddenly our to the Editor of the "News:"

ich to run the association for the year.

I wish to add a comment on

This experience has made me feel aware of the need Jucknavorian in the April 16 issue for much more freshman participation in the future. I of the "Lasell News would suggest having freshman representatives at the meetings, student requests for things the LCCA could do meetings, student requests for things the LCCA could do, and constructive criticisms about and much more publicity of its functions and activities. those things

I have felt all along that more of our college social Further, they should find an outevents should be left to the LCCA. We sponsor a mixer, ideas, have several movies, make up the student address book, One of the basic tenets of eduhave several movies, make up the student address book, hold our auction, organize chapel services, as well as various welfare drives throughout the year, and this year we are planning a jazz band to play during the afternoon before the May Cotillion. However, being the type of organization that we are, I feel very strongly that we organization that we are, I feel very strongly that we organization that we are, I feel very strongly that we organization that we are, I feel very strongly that we organize the basic tenets of edual cation — certainly one that college faculty try to develop in students — is the ability to think objectively and constructively, and the important thing is that such views should be heard, discussed, organization that we are, I feel very strongly that we organize the basic tenets of edual cation — certainly one that college faculty try to develop in students — is the ability to think objectively and constructively, and the important thing is that such views should be heard, discussed, organized the college faculty try to develop in students — is the ability to think objectively and constructively, and the important thing is that such views should be heard, discussed, organized the college faculty try to develop in students — is the ability to think objectively and constructively, and the important thing is that such views should be heard, discussed, organized the college faculty try to develop in students — is the ability to think objectively and constructively, and the important thing is that such views should be heard, discussed, the college faculty try to develop in students — is the ability to think objectively and constructively, and the important thing is that such views should be heard, discussed, the college faculty try to develop in students — is the ability to think objectively and constructively. should sponsor more of the college events such as the Song Fest, at least one of the big dances, and possibly Father-Daughter weekend. The privilege of handling all these events has been that of our Student Government.

I believe that some of these fall more into our category. I believe that some of these fall more into our category of campus service and should be placed with us, if we could be strong enought to handle them. That depends on the support the LCCA gets and the interest it develops.

States and the entire world at the pression and discussion of a wide is what the girls make it. I remember last year staying up till all hours, wondering whether value of the newspaper but would not only enhance the affairs of government and an inarticulateness on the part of our citizens.

On the support the LCCA gets and the interest it develops.

LETTERS To The Editor

Dear Editor:

This is in reply to a "Letter to the Editor" which appeared in a recent issue of the "Lasell News" relative to the suggestion of reducing or not requiring certain courses in the Secretarial Curriculum.

tarial Department are in unaniagreement that courses required and their content in this curriculum are basic to the needs of the prospective successful secretary. Condensation of course content is already at a maximum

for all practical purposes.

No one of us will deny the advantage to be gained from in-clusion of liberal arts courses in a secretarial student's program. However, any number of these valuable courses, over and above those already permitted as electives in our two-year setup, would be at the sacrifice of training for gainful employment

The Secretarial Department is very proud of the reputation it has established over the years as evidenced by its graduates have been and are successfully employed in the professions and

If, in the future, any student has any suggestions regarding the further improvement of this has she won't come to one of us personally?

Very sincerely, S. J. Josephs

she has a flashlight for other purposes than just for fire drills.

As President of the Athletic of Pickard, which is conveniently located near the athletic field, Betty has plentiful experience in executive positions. Her bility and popularity, which are so evident at Lasell, were apparent at Clark School for the Deaf and Milton High School, where she was also very active.

While at Lasell, Betty excelled in every sport, and her spirit has inspired many teams. Aside from participating in sports, she also enjoys them from the bleachers. Depending upon the season, Betty and Dave frequent the game of the Celtics, Red Sox, and the Bruins, as avid fans. Betty is a collector of athletes' autographs and has a wide knowledge of personal records and team standings.

One phase of Betty's all-around agility is noticeable in her bicycle Louise Mahoney: I believe that riding, although it might be difficult to recognize her flashes by. She has numerous other interests, some of which coin and stamp collecting, reading and knitting. While others this winter allowed to switch numbers. On complained of "blizzard blues," the whole though, the general Betty was headed for the white slopes of Hampshire Milton, Massachusetts, which is

Executive Council Treasurer Plans TWA Hostess Career

By Marion Heinsohn

Who is the sparkling-eyed girl in Briggs who has the name of Bob Delahunt all over her bulletin board? Why, its Jean Wynott, of course!

Jean's home is East Weymouth, Massachusetts. She graduated from Weymouth High School in 1954 and worked in Boston as a secretary for two years before entering Lasell. Jean chose Lasell because "it appealed to me more than any other junior college." is evident that she has made the most of her two years on the Lasell scene.

Jean holds the respected roles of treasurer of the Executive been active on campus in sports, Speaker's Bureau and Workshop Speakers Bureau. She also goes out for crew and works in the cafeteria. Although Jean is a very active gal, she's never too busy to greet all with a friendly 'hi.'

Jean is enrolled in the Liberal

advertising at Boston University, Chamherlain, and Northeastern University. Mr. Cole is also a free-lance writer in his "spare time."

The topic presented by Mr. Cole was "The Field of Advertising As it Relates to Retailing."

Ior the three-consecutive-semester Dean's List students.

Jean's List students.

Jean's Principal interest is Bob Delahunt, the Theta Kappa Phi to whom she is pinned. However, she has two other major projects which are a little out of the ordinary: taking baths and eating the strength of the slumbering roommate. Carol Anderten was recently and seniors Carol Christopher and Judy Watson.

The 4-inch bar for two years of outstanding service was award-football players ever get clean!" of outstanding service was award-football players ever get clean!" Sophomore at Boston College.

SPORTS

The badminton season recently ended, not without its thrills and upsets.

In the doubles match, Katie Moore and Melisse Jenkins upset the team that was seeded to win 15-3, 15-9, Carol Anderten and Sally Brockway were the losers in the contest, placing them in second place. They played well

throughout the tourney.

The most exciting game in the doubles competition was the semifinal match between Anna Natsis-Ann (Lou) Dunkel and Anderten and Brockway. Three games were played, and in the third game there was an overtime, with the final score an exciting 5-4. That was too close for comfort, but not close enough for the

losers. They also did well.

In the singles tournament,
Donna Grover came out on top,
defeating Lou Dunkel in the final 5-11, 11-3, 11-4. In this tourney also, the most interesting game from a closeness standpoint was the semi-final between Donna Grover and Mary Duffill. Mary, the "dark horse" of the tourna-ment, having not had much playing experience before and finishing so well, gave Donna a run for her money. The final score on those games was 11-7, 7-11, 11-9.

girls who participated in the singles were: S. Brockway G. Seibert, M. Jenkins, L. Corth G. Seibert, M. Jenkins, L. Corthouts, B. Seibert, L. Krebs, J. Valentine, K. Moore, J. Bradner, S. Torp, J. Sherman, A. Dunkel, J. Anderson, C. Anderten, A. Brown, J. Feldt, M. Duffill, J. Sias, J. Strauss, D. Grover, S. Deiml, S. Dean, J. Thayer, and

Betty Hambro (Continued from Page Two)

ratory work. She intends to continue in this field after graduation and plans to work in a research lab either at New Eng-Center or the land Medical Arthur D. Little Company.

Marriage plans are also a part of the near future, as Betty was recently engaged to Dave Burnes. When asked to show her beautiful ring, Betty blushes shyly, but she is certainly very proud of it. One of her present satisfactions is filling the lovely cherry wood hope chest which Dave built for her

Two-piece cotton swimsuits reappear after an absence of several seasons. Simple bra tops accompany boy shorts, ballerina pleated skirts and sarong designs. Matching beach jackets provide a three-part ensemble idea.

Easy-care fabrics in dressmaker swimsuits and beach costumes make practical pleated yokes on shirts; knife-pleated skirts on swimsuits.

Mithout a doubt, Betty has certainly made a mark for herself here at Lasell. Her outstanding character, sportsmanship, and integrity have won her the admiration of everyone. It is not difficult to imagine the success which awaits Betty in all areas of her life.

The Rev. Mr. Rapp To Be Speaker At '58 Baccalaureate

By Joyce Smethurst

This year's Baccalaureate service will be held on May 28 at The Reverend Mr. Frede-4 p.m. 4 p.m. The Reverend Mr. Frederick W. Rapp, Rector of the Church of the Messiah, Auburndale, and instructor in Great Religions and Bible Literature at Lasell, will be the preacher. Mr. Rapp is a graduate of Bucknell University, Andover-Newton Theological School, and has done grad-uate study at Harvard. He has been associated with Lasell since 1956.

President Raymond C. Wass will deliver the invocation and Scripture reading. The organist will be Mr. Frank Taylor. An academic procession will lead from Bragdon Hall to Winslow, including seniors with caps and gowns and others who will be directing the service.

Some students may not be aware of the significance of a Baccalaureate service. It is a spiritual aspect of school life inasmuch as it is a turning point in many of the students' lives. It is a time when seniors pause to reflect upon their past experiences at Lasell and to contemplate their positions in life, and for freshmen to get a more definite view of the opportunities yet to come.

Annual Exhibition To Display Work Of Student Artists

By Marion Heinsohn

Talent is on parade once again! The annual Art Exhibit at Lasell will be held from June 3 through June 8 in rooms 2 and 3 in Bragdon. Everyone is invited, so bring your parents and friends. There will be a great deal of original talent to enjoy.

Each student enrolled in the art course will have some of her work displayed. The painting classes will have their oil paintings, water colors, and pencil drawings arranged on the walls. Many of these paintings will be familiar to us because they porwell-known campus neighborhood scenes.

The senior fashion students will display some of their pro-fessional portfolio work, while the freshmen will have shown their colorful travel posters, on which they all did such terrific jobs.

The interior decorating classes will display their model homes.

This is truly a memorable day
at Lasell and makes crew practure they worked very painstakingly

> seen. Beautiful jcwelry, pottery, belts, etc. will all be a part of the exhibit.

> The advertising classes will add magazine illustrations, book jackets, wire sculptures and monograms to the exhibit for the en-

> These are only some of the wonderful things to be seen at the Art Exhibit. The Art Department's aim is to have the students use "many different techniques, styles and methods."

This year's Art Exhibit will be Executive Council. In high school the best ever because there will be so much variety. So don't Association, president of Tri-Hi-Y, for the Student Council and a supplier of the a council and a supplier of the accouncil and a supplier of the account of the a of the days between June 3-8.

Classes To Picnic At Crane's Beach

By Sue Allen

Saturday, May 24, will be the long-awaited day when many of Lasell's girls will board busses to make the trip to Crane's Beach interested in bridge, drawing, and in Ipswich. The busses will leave Syracuse U., and can often be Lasell at 9 a.m. and arrive at the beach at 10:30 a.m.

> ming, sunbathing, and playing ball on the beach scheduled to take place.

At noon, a picnic lunch will be served on the beach by the staff of Lasell's cafeteria. Building fires and roasting hot dogs on the beach will help to make the day one to be long remembered.

After everyone is sufficiently sunburned and tired, the busses will leave Crane's Beach at 4 p.m. in time to arrive at Lasell at 5:30 p.m. for dinner.

The class picnic is one of the last informal events of the year, and it promises to be loaded with fun for all who attend.

Time Is Short — Make The Most Of It! 21 and over.

With the coming of May, Lasell becomes a beautiful and bustling campus. One glance at the May Calendar of Events reveals the many activities and social functions which make these remaining weeks at Lasell a time of fun and enjoyment.

tions as Freshman Sister Day, Cap and Gown, Snow tion days plus 8 paid holidays and trying to sell everything she could wish her the success which has Sculpturing, the Snowball, the M.I.T.-Orphean Concert, 13 days sick leave. Vacation can think of — from clothing to an been hers here at Lasell for she accumulated and also trans-electric shaver — to scrape up certainly deserves it! the Bermuda Trip, the Bowdoin Concert, Song Fest, the Workshop Players productions and many other additional ferred to other services, as can Workshop Players productions and many other activities such as sports, both intramural and with neighjobs. Another feature is their low cost insurance policy and health

Lasell offers much to the girl who is willing to spend boarding houses, a little of her time to participate in or to simply attend and enjoy these functions. The freshmen have another year ahead of them in which they can do many of the societies, Government Girl Clubs, things which they have missed this year. However, there are many of us who will be graduating in June and will begin a new life in the various careers which we have ing hours. chosen and for which we have prepared. For us, these are ing possibility even further? most likely our last weeks of formal schooling. We should plan to make the most of every minute of every day to get out and enjoy crew, tennis, or softball, or plan to attend the remaining events of the year such as the Local Coffin Nail Senior-Freshman Picnic, River Day, informal picnics on the Recreation Field, and the commencement activities.

the Recreation Field, and the commencement activities.

I was created from a plant!
Immaterial you may say, but I have become the essence of almost every Lasell girl's life. I am usually forbidden before the age of sixteen, but those who manage to reach Lasell clean and attended the Cotillion. Nevertheless, there are many who attended the Cotillion attended the Cotillion. Nevertheless, there are many who attended the Cotillion attended the Cotillion attended the Cotillion. Nevertheless, there are many who attended the Cotillion atte could have participated in these two events and didn't.

However, there is still time to get into the bustle of my hard and confusing life. activities during the weeks that remain. Don't sit in after supper at night playing bridge. You can do that when you join an Alumnae Club. Venture down to the Recreation in a barn to mellow. Can My n tion Field and watch a softball game. These girls may not be major league material, but each game affords a good deal of fun and laughter. Not everyone can participate the strength of the strength pate in these activities, but there is no reason why many of us shouldn't be spectators. Don't pass up your chance of us shouldn't be spectators. Don't pass up your chance of us shouldn't be spectators. of us shouldn't be spectators. Don't pass up your chance to go on the Class Picnic, to be down at the River to cheer for your team on River Day, to watch the Crowning of the June Queen, or freshmen, to carry your senior sister's torch in the Torchlight Parade.

A Lasell student notices me and begins to warm me up by means of a match. For this I have suffered. Nearly ten minutes later, my life is snuffed out with one crushing blow. Here my soul is mixed with many others. I run into The Humpy Camel, The Kool Salem, the Misty Oasis, The Light and Mellow, and the Marl-light of the Class Picnic, to be down at the River to begins to warm me up by means of a match. For this I have suffered. Nearly ten minutes later, my life is snuffed out with one crushing blow. Here my soul is mixed with many others. I run into The Humpy Camel, The Kool Salem, the Misty Oasis, The Light and Mellow, and the Marl-light of the Class Picnic and Day 100.

A Lasell student notices me and begins to warm me up by means of a match. For this I have suffered. Nearly ten minutes later, my life is snuffed out with one crushing blow. Here my soul is mixed with many others. I run into The Humpy Camel, The Kool Salem, the Misty Oasis, The Light and Mellow, and the Marl-light of the cigarette is never to be very secret or personal. Therefore — anything for the public — especially for Lasell! to go on the Class Picnic, to be down at the River to

Sound off for Blaisdell Hall Sound off for Blaisdell Hall
Sound off one and all
Alarm clocks buzz — six, seven A.M.
Up and out and at 'em again.
There goes Carole Paolino
Lifting up her head,
Turns on WCOP
And climbs back into bed.
She works in the school library She works in the school library Every day of the week And describes her recent excursions To New York City as really "chic." Tired Sona Bedrosian Emits a stifled yawn Turns on her Errol Garner To welcome in the dawn. They say her loves are secret But her pride and specialities Are eating Granny's yogurt And a lunch of cottage cheese. On her way to breakfast Gladys Mettler do we find Who likes any MIT boy With a well-adjusted mind Her fingers rather small and neat But Gladys is a riot She tries to eat all she can eat And then goes on a diet. On her route to classes And her bike now knows the way Pixyish Linda Braslow Prepares to face the day; Her pride and joy is Amherst And a certain Phi Gam, Pete; She's still thinking of her weekend As she stumbles to her seat. Sue Rapaport's her roommate And lunch-time finds her where She's chomping on a piece of gum Or combing out her hair. Her eyes are wide and hazel And pretty — if you please She can't wait for the weekends To don her new chemise. Strolling 'cross the campus Long 'bout half past four We see Mahin Sorouri Who stops at Blaisdell's door. She's had a round of tennis
And is up for volleyball.
She's the leading sport enthusiast
Of dear old Blaisdell Hall. Lynda Guenther greets her With a whoopee and a "hey Saying I had two phone calls from Michigan today. Linda's sweet and lovely ways Could capture any bait
But her heart has long been taken
By a boy from Michigan State.
In a more or less secluded room Upon the second floor We view the sleeping inmates Who snooze behind the door. One of them is Pat Antico President of Blaisdell Hall; The other is her roommate, Jean Harvey, thin, but not too tall. Pat decides to write to Jule While Jean sends Jim a letter And says don't worry, honey, I'm still knitting on that sweater. Diagonally across from them

THE TENNIS LADDER tour nament is now under way, with many participants playing matches. To see some exciting action, drop by the courts and lend some support to these enthusiastic contestants.

Tennis, Crew And Softball Have Matches In Full Swing

By Judy Watson

Tennts:

The following 18 girls are participating in the tennis tourna-ment now being played. A. Kulin, P. Zuman, D. Grover, M. Ormsby, M. Sorouri, C. Hanson, D. Fan-M. Sorouri, C. Hanson, D. Fantoni, E. Carter, C. Dick, M. L. Welter, B. Faison, A. Hanscom, K. Moore, J. King, M. Duffill, M. Fuller, N. Spargo, P. Watson, N. Rioux, D. Carr, E. Grobel, A. Blair, M. Grearson, B. Gianferante, B. Kneeland, L. Anderson, A. Natsis, L. Corthouts, E. Finard, J. Yeaton, G. Winalski, N. Crowell, and M. Bottomley. Of the 18, the first 9 losers will goon to play in a consolation tournament of their own. The winnament of their own. The winning 9 will go on to vie for top

As yet, the teams have not been posted, but when you read this they will have been. Here's hoping for more crew days and less rain so that we can get in better shape for River Day. I hope all you gals will hustle on down to the race course on Tuesday to

cheer your team on. Lots of fun in store!

There will be an awards assembly for the crew, baseball and tennis players on Thursday, May 29. Changing of the Athletic Association officers will also be

All this will take place at the Crow's Nest, weather permitting. honors. The winner will have her

Grobel, name engraved on a trophy.
Gianfer- The four girls seeded to win are N. Spargo, A. Kulin, K. Moore and N. Crowell.

The teams for softball have arranged as follows:

Senior I Senior II J. Bates B. Allen N. Bush C. Christopher Ambrose Beverley D. Daly Donahue Bradner S. Ferrante Fox Ferrucci MacDonald Mahoney Meehan C. Reid M. Riordan Purrington Baker Salowitz

C. Salowit P. Sindall M. Rasimas

Senior III Kaufman J. Leary B. Schlegel M. Barette Caldwell G. Seibert S. Sheller B. Hambro Hermann Sorouri M. Rosenblum

Freshman II Freshman, I Baldauf A. Brown N. Crowell K. Decas Chapin Corthouts Ρ. Fawcett Goncalo Dick Duffill Goss J. Legsdin Hanson Jenkins King Natsis N. Petrone J. Quinn N. Rotman H. Schmidt

In the first game played thus far, the Senior II team defeated Senior I 9-5 in a good game. The II team also beat the Senior III team by the same score. The two Frosh teams played each other in an exciting game. win went to the Frosh II team, with Katie Moore doing a good job on the pitcher's mound. The final score was 12-9.

These games have been fun, but lacked the spirit lent by the many spectators who showed up for the winter sports. What is the matter with the Lasell population? Is everyone getting lazy? Come on and have a little fun; there are only a few more weeks to round out your school year.

Ice Cream, Candy, Convertibles Are Lasell's Symptoms Of Spring Fever

By Jetta Fucito

Can anyone tell me what inscrutable and seemingly incurable plague is inhabiting our campus these May days? The symptoms of the students (freshmen and seniors alike) are generally synonymous. Every girlish figure is apparently floating in a smog, though evidence of such a condition is impossible to denote since the skies are a visible Bermuida blue, the traditional warble of a robin can be heard from a nearby bush and leaves and buds are sprouting in every nook and corner that winter has abandoned. Classes continue per usual with

Classes continue per usual with sweeping stream-lined converti-at least nine out of every ten bles that tour the length and girls in such a seemingly lacka- (Continued on Page Four)

Sits cheery Mrs. Brown, Whose eyes are always twinkling And never dons a frown. The girls come in to see TV Before they go to bed, But wind up in a gab session With Mrs. Brown instead. The moon rises o'er the campus And sends its rays of light O'er a little house called Blaisdell To bid the girls goodnight. So — sound off for Blaisdell Hall Sound off one and all. Cadence count — seve: — seven, eight, nine, ten Everyone in bed.

Wakeling, Bennett Thayer Are Chosen As '59 LCCA Heads As '59 LCCA Heads As '59 LCCA Heads

By Patsy Graff

We have the pleasure of introducing, "News"-fashion, the three new officers of the LCCA. All Woodland residents, they are President Wass. woodland residents, they are Priscilla Wakeling, Judy Thayer and Nancy Bennett — president, vice president and secretary-treasurer, respectively.

Upon talking to the girls, one finds them enthusiastic about Lasell and looking forward to fulfilling their new capacities. After conversing with them individually, one also becomes aware of three distinct and very pleasant personalities.

President Priscilla is an enthugirls depending upon whether the whind fear will have been fun nates next June, Priscilla would like working in a hospital so she "wouldn't see the same people all the time" and could be closer to medicine, which she is very interested in.

Priscilla feels that there should be more student participation in the LCCA and calls for more publicity as one of the answers. She says, "Students should know (Continued on Page Three)

1946 to 1956. In 1956 he took Lasell will be fortunate to have a leave of absence to work on a commencement speaker this National Public Information Proyear Dr. Edmund J. Gleazer, Jr., who recently was elected Executive Director of the American Association of Junior Colleges. Because he did such a superb job, he was unanimously elected head of the Association.

A Farewell Message From The President

For two years, you seniors have been followers. You have been good followers. The great majority of you have newly elected officers and the done your job well. You have had good leaders to follow. class which chose them. Presently, you will be leaving Lasell to become members of another community. I know that your two years at Typists Receive Lasell have given you an opportunity to think and to grow up and to mature, for tomorrow you lead; not follow. In the words of Daniel Burham, famous Chicago architect, "Make no little plans. They have no magic to stir men's wishes to offer its congratulations blood and probably themselves will not be realized. Make to the following senior secretarial to many of the students with some of her present friends whom big plans; aim high in hope and work, remembering that students who have obtained exwhom she has become associated she had as instructors as a stubig plans; aim high in hope and work, remembering that students who have obtained experimental and an oble, logical diagram once recorded will never die, but ceptional skills in shorthand and typewriting.

The probably themselves will not be realized. The following senior secretarial to many of the many of the had as instructors as a students who have obtained experiments and during her years with Lasell, and it is no wonder that the atmostic secretarial to many of the had as instructors as a students who have obtained experiments and during her years with Lasell, and it is no wonder that the atmostic secretarial to many of the had as instructors as a students who have obtained experiments and during her years with Lasell, and it is no wonder that the atmostic secretarial to many of the had as instructors as a students who have obtained experiments and during her years with Lasell, and it is no wonder that the atmostic secretarial to many of the had as instructors as a students who have obtained experiments are the had as instructors as a students who have obtained experiments are the had as instructors as a students who have obtained experiments and during her years with Lasell, and it is no wonder that the atmostic secretarial to many of the had as instructors as a students who have obtained experiments are the had been had as instructors as a students who have obtained experiments are the had been had as instructors as a students who have obtained experiments. a noble, logical diagram once recorded will level die, but typewriting. long after we are gone will be a living thing, asserting typewriting. Cynthia Clary, itself with ever-growing insistency. Remember that our Sandra Fookes, Louise Jucknavosons and daughters and grandchildren are going to do rian, Janet March, and Judy things that would stagger us. Let your watchword be Watson, have taken congressional order and your beacon beauty. Think big."

*

Your years at Lasell have become a part of your fife experience. You will never forget them. Strive to create typewriting speed on a 10-minute what she timed writing of 70 w.p.m. with She Your years at Lasell have become a part of your life nobler objectives than money or power — learn how to live as an individual with others. In fact, "So live that you can sell the family parrot to the town gossip." — And Alumnae Day when the going gets rough, as it certainly will as you travel life's highway, think not of your losses, but of your gains. If one door closes to you, another and better one gains. If one door closes to you, another and better one may be opening, — look for it!!! And remember that the Worcester Turnpike in Fram-Truth, Justice and Integrity are better than fine gold.

The Abner Wheeler House on the Worcester Turnpike in Framingham will welcome the class of The defeats of today are more often than not turned into 1918 on their fortieth reunion the victories of tomorrow. That tomorrow when you will 1943, and 1953 will be honored at lead your family through the good years and the bad with the Pillar House in Newton your head held high and a smile on your lips.

Living as we do at Lasell — sharing each other's has made special arrangements triumphs and misfortunes makes us become very fond of for the classes of 1948 and 1957. each other and of Lasell. Did you ever stop to think of the impact Lasell may have had upon your life? Just think; from the moment you entered Lasell until the end be present at the luncheon being prepared by Mrs. Emerson Sylvesof the road, Lasell will be a part of you — and you will ter (Arlene Wishart) at 81 Woodbe a part of Lasell. Workshop Players:

her room are various pictures of a certain Marine who holds the to her heart: consequently the United States mail is of grave importance to Anne. If one were to visit Conn at any hour of the night it would appear to be in slumber; however, on closer ex-amination, Anne's radio can be heard and a small light seen over her bed as she reads. No wonder it takes four to five rounds to awaken her in the morning.

Completing the house is Sue Greenhut, who occupies the other single. She spends most of time in the kitchen with Anne drinking coffee and hashing over the problems of the day. she often journeys to the smoker the that size of the last cigarette before ascending to the upper level to dig out the books in an effort to commence the evening's study. Sue manages to get the other girls to join her in her endeavors and many times these study sessions become futile as the conversations become side-tracked. However, without Sue our important would accomplishments have materialized.

The story would not be complete without mentioning Vasey, our housemother. She has helped to make our year a memorable one, and due to the interest she takes in all of us, we have become quite close to her. We all owe her a great deal, and she has been a very important part of our senior year at Lasell.

Miss MacClymon -

in auctions. But her pet hobby is one that many Lasell girls know about — none other than Jet, who was recently interviewed a "News" reporter. affectionately Miss McClymon calls him, is equally fond of his kind friend who offers him frequent treats and encouraging pats and words. Miss MacClymon has always been partial to dogs and she feels that four-year-old Jet is

Staff Poet Has Final Effusion On Subject Of (Sob!) "Leaving"

By Jetta Fucito

As we stroll across the campus, We can feel the gentle breeze And see the sunlight filter Its rays between the leaves That dress in springtime's richest green To complement their trees

See houses sprayed with ivy, The classrooms sprayed with chalk,
The patter of those youthful feet,
That pass along the walk,
And the lilt of girlish laughter, That mingles with their talk.

If you've ever been to college Then you'll know just what I mean, Where education lends a hand To help promote a dream. Where hearts are gay and carefree, And friendship lords the scene,

And so we've been to college And had a bit of fun, We've had our share of laughter Our studies now are done. We've had our little rainstorms, And our spattering of sun.

Now as the time approaches, When we must bid farewell, We'll pack up all our memories, And store them in a cell Within the bottom of our hearts In honor of Lasell.

We stroll across the campus. Once more before we go, And we can see the sunset In magic colors glow With irridescent beauty On the campus we love so.

So now we dedicate our love Upon this special date, To you who made much better
Our time and tide and fate.
We hope that you remember us —
The class of '58.
